

THE TORNADO TELEGRAPH

60163 TORNADO New Steam for the Main Line

Welcome to issue No.83 of *The Tornado Telegraph*.

June was a quieter month for *Tornado* following the excitement of the run to Cornwall and the stay at the Bodmin & Wenford Railway. However, the locomotive still completed a number of trips including a charity special for The Railway Children on the 13th, a 'Belmond British Pullman' on the 16th and her first 'Torbay Express' on the 18th, albeit with a Class 66 helping because of a perceived fire risk! Alas a troublesome injector prevented No. 60163 from working the next 'Torbay Express' on the 2nd July and despite every effort to find a substitute steam locomotive the tour ran diesel-hauled. The tour diary has recently been expanded to include a pre-Christmas outing to Chester - for details see below. In other news the '163 Club' has now raised 95% of the cost of the tender and been expanded to include all the LNER 'Pacifics', the full story appears further on.

ONE LAST PUSH TO GET (A TENDER) BEHIND *TORNADO*

We are delighted to announce that the fundraising campaign to purchase *Tornado's* tender from William Cook Cast Products has already reached 95% of its 163 member target to raise £200,000. Membership of The 163 Pacifics Club has grown steadily since its launch in September 2013 and over 150 of the initial 163 ex-LNER Express Passenger 'Pacifics' have already received new 'shed allocations'. Due to popular demand, an additional 46 'Pacifics' have now been released from the Raven class A2s, Thompson classes A2/1s, A2/2s, A2/3s, Peppercorn class A2s and Gresley class A4s (including destroyed No. 4469 *Gadwall*). One supporter has chosen to sponsor the 'honorary Pacific', Gresley class W1 4-6-4 No. 10000/60700 which was un-named but also had 6ft 8in driving wheels.

How you can help:

We need to raise £200,000 by 2021 to purchase *Tornado's* tender. Following the success of our Regular and Dedicated Donation schemes for the construction of *Tornado*, the Trust have decided on a similar method for the purchase of the tender. However, instead of "an A1 for the price of a pint" and "use your loaf", we've decided to raise the funds in a different way, The 163 Pacifics Club. Although *Tornado* carries the number '60163', her pre-nationalisation LNER number would have been '163'. If 163 people were to donate £960 with the addition of Gift Aid (£240) this would raise £195,600.

As with the previous schemes, this initiative comes with benefits for those who generously take part:

- A numbered certificate recording the details of the donation and the number/name of your favourite express passenger pacific from the Gresley A3s/A4s, Thompson A1/1s, Peppercorn A1s, Raven class A2s, Thompson classes A2/1s, A2/2s, A2/3s, Peppercorn class A2s and Gresley class A4s (destroyed No. 4469 *Gadwall*)
- Name inscribed on the official Roll of Honour in Darlington Locomotive Works which will detail the pacific sponsored.
- Entry into a draw for a main line footplate-ride on *Tornado*.

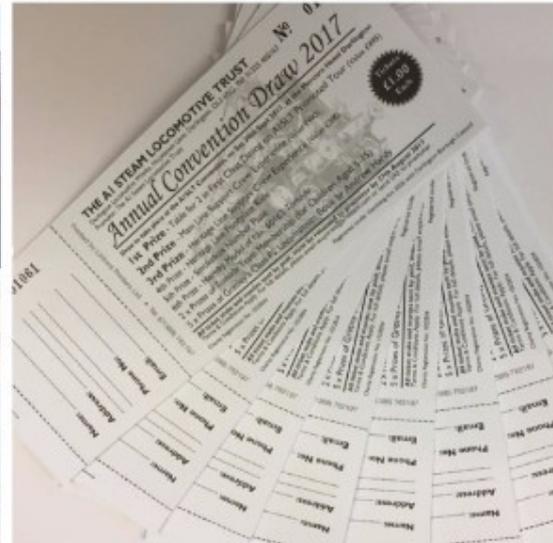

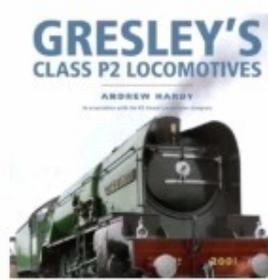

It really is that simple! With your help *Tornado* could be debt free with her paid-for tender behind by 2021 so please complete the [donation form](#) today. Thank you.
