RAF 25th Anniversary Dinner - Thursday 9th January 2020

We are pleased to announce a special dinner to mark the 25 years of affiliation between The A1 Steam Locomotive Trust and the Royal Air Force. Join Trustees, supporters, RAF personnel and VIP guests to commemorate this special landmark.

The Anniversary dinner will take place in the Sovereign's Room at The RAF Club in London, which celebrated its centenary last year. After pre-dinner drinks we will take our seats for a fabulous meal prepared by the Club's award winning chefs. We are delighted to announce that our after dinner speaker is writer and TV presenter Jonathan Glancey, a long-time friend of the Trust and author of the definitive work on the construction *The Tornado Story*. He is also the author of books on the *Spitfire*, *Harrier* and *Concorde* as well seminal works on world-wide steam locomotion, architecture and travel. It is sure to be an interesting discussion on both aircraft and steam locomotive lines.

Various events have taken place with the two organisations in the last 25 years. When it was decided that the new Peppercorn class A1 would be named *Tornado* in honour of the crews and aircraft flying in the first Gulf War, a small symbol of that affiliation was the preparation and painting of the nameplates for the new locomotive and the affixing of the crests for RAF Cottesmore and the Tri-National Tornado Training Establishment which was based there. These were handed over to the Trust on 4th January 1995 at Tyseley Locomotive Works where the frames of *Tornado* were being erected, a long and beneficial relationship has endured ever since. From flypasts for *Tornado's* naming ceremony and overflying the locomotive during the Tornado GR4's farewell event, to force development days where RAF colleagues could get their hands on the locomotive, the relationship is set to remain strong. The TTTE was closed in 1999 and RAF Cottesmore became the base for Joint Force Harrier. The Trust therefore decided to replace the crest on the driver's side nameplate with that of RAF Leeming, which at the time was the closest RAF station to Darlington where *Tornado* was being constructed. As the Tornado GR4 aircraft were being drawn down and RAF Cottesmore had been transferred to the Army,

and renamed Kendrew Barracks, the Trust decided to commemorate RAF Marham as the last base of the Tornado Force and its crest is now carried on the right hand smoke deflector. With RAF Marham now the home of the UK's F35 Lightning Force for both the Royal Air Force and the Fleet Air Arm, soon to embark on HMS Prince of Wales (affiliated to our second new steam locomotive Gresley class P2 No. 2007 *Prince of Wales*), our continued affiliation with the RAF will be a critical relationship moving forward. Working together it is not only an opportunity to bring pleasure to the public, friends and family it is also a chance to reach out to the next generation through STEM initiatives to inspire future engineers and operators crucial to both of our organisations.

Prices for this unique event are £65 for Covenantors or Club supporters, £75 for the general public. Sales will only be available to Trust supporters and RAF Club members until 15th October before going on general sale. **Call 01325 460163 for further details and to book.** Space is limited so please ensure to book early.

We look forward to welcoming you to this celebration.

NB - Please note at time of booking dietary requirements must be provided and please bring photo ID (eg Driving Licence or Passport) with you on the evening.

TORNADO ON THE TRACKS!

No. 60163 *Tornado* at Garsdale whilst hauling 'The Pennine Explorer'

- David Robinson/A1SLT

We are delighted to announce our first railtour of 2020, and what finer way to start than enjoying a steam-hauled journey over the magnificent Settle & Carlisle Railway in springtime?

Especially for our East Anglian customers, the train departs from Cambridge, Ely, March and Peterborough with a diesel locomotive at the head. We also call at Newark and Doncaster before reaching York, where *Tornado* will be waiting to take over at the head of the train.

From York we take a fast run along the East Coast Main Line passing Darlington and Durham, with glorious views over the Norman Castle and the Cathedral. We then head west through Hexham as we follow the route of Hadrian's Wall to arrive in the Border City of Carlisle. Here we have around two

hours to explore the City with its fine museum and Castle, cosy public houses and various shops of interest.

Our return journey takes us south via the iconic Settle and Carlisle Railway. Highlights of the journey include *Tornado* hard at work to complete the climb to Ais Gill summit, the highest point of the line at 1,169ft, and our train also passes through the superbly restored Dent Station, the highest in England at 1150ft.

Once we have passed Settle Junction and its historic signalbox we head south through Skipton to skirt Leeds and Wakefield as we continue south to Doncaster where No. 60163 is detached. Our diesel loco will have made its way from York ready for the homeward run along the East Coast Main Line and across the Fens.

I ♥ 60163

Since launching the 'I ♥ 60163' appeal, to close the funding gap between the costs that could not be recovered from the insurance company stemming from *Tornado's* failure on 'The Ebor Flyer', we have already welcomed nearly 50% of the 100 people originally required for the appeal.

The 'I ♥ 60163' appeal was established to help close the funding gap and raise £60,163 from 100 people each donating £601.63 in up to six payments. We would encourage all those who haven't yet donated to this appeal to get on-board today! Any additional funds raised beyond the initial £60,163 will go towards funding *Tornado's* share of our newly ordered 'spare' boiler, due to be delivered in

September 2020 and fitted to the locomotive during her next overhaul.

By donating £601.63 to the 'I ♥ 60163' appeal, supporters will receive:

- An exclusive 'I ♥ 60163' car sticker
- Access to view *Tornado* at all reasonable times
- The Trust's newsletters on a regular basis
- The opportunity to attend the Trust's Annual Convention
- A special 'I ♥ 60163' day with No. 60163 *Tornado*
- Their name inscribed on the Roll of Honour at Darlington Locomotive Works.
